COCKTAIL: THE LUSCA – CREATURE FROM BENEATH THE SEA

PRICE: \$100

Dive into a deep-sea adventure at Miss B’s Coconut Club with this leviathan-*esque* cocktail. Festooned with seaweed, The Lusca — Creature from Beneath the Sea is a concoction of house-blended rum, guava-mango kombucha, Nocello (walnut and hazelnut liqueur from Italy), citrus fruits, honey and papaya — crowned with a pineapple head. While dropping a Benjamin might seem spendy for a cocktail, this monster serves up to 10 people, so be sure to invite the gang. — *Laurie Delk*
